

Haley-Greer, Inc. Receives National Excellence in Construction Award From Associated Builders and Contractors for Texas Rangers Ballpark Complex

Dallas, TX, March 11, 2021—Haley-Greer, Inc. today announced work on the Texas Rangers Ballpark Complex in Arlington, TX has earned the company a national Excellence in Construction® Eagle Award, presented during ABC Convention 2021 in Grapevine, Texas, on March 10. The EIC awards program is the industry’s leading competition that honors both general and specialty contractors for world-class, safe and innovative construction projects.

“For more than 30 years, ABC has honored award-winning construction projects like Texas Rangers Ballpark Complex because the work by the team at Haley-Greer, Inc. exemplifies excellence in our industry,” said 2021 ABC National Chair of the Board of Directors Steve Klessig, vice president of architecture and engineering, Keller Inc., Kaukauna, Wisconsin. “This world-class construction project is a vital part of our economic engine, built safely, on time and under budget, and it is an honor to congratulate Haley-Greer, Inc. for their commitment to setting the standard for excellence in construction.”

The national EIC award honors all construction team members, including the contractor, owner, architect and engineer. The winning projects, selected from entries across the nation, were judged on complexity, attractiveness, unique challenges overcome, completion time, workmanship, innovation, safety and cost.

This year's panel included representatives from Building Owners and Managers Association International, Smithsonian Facilities Construction Division, Construction Management Association of America, Engineering News-Record, Design-Build Institute of America and various construction-related firms nationwide.

[PeopleReady Skilled Trades](#) is the presenting sponsor of the Excellence in Construction® Awards.

A full list of EIC winners is available on ABC’s website.
